

## Lunch Symposium Programme

September 19th - 12.55-13.25

**Add value.  
Inspire trust.**

### Intended purpose and claims of a medical device - is consistency relevant?

**Speakers:**

**Maj Kornø**, Internal Clinician &  
**Corina Seeger**, Client Relations Representative

**TÜV SÜD Denmark Medical Health Services**

Join us at this insightful opportunity where we dive into why consistency between the intended purpose and claims are crucial.

Understanding and addressing any gaps in clinical evidence is critical to ensure compliance and market success.
